## About This Game

### Hunt

Hunt down Retronauts and deorbit space stations! This is what you will be doing as the killer robot, **Destructo!** Use your abilities and weapons to get the upper hand as the perfect **ambush predator**.

### Survive

Work together and activate the security system as **the Retronauts**. The security system will make sure Destructo will rest in pieces! Try not to get caught because there is only so much you can do to **resist** this dangerous robot. Use your weapons, your gadgets and **teamwork** to defend yourselves.

### Avenge

Destructo will need to be careful when killing Retronauts, because every dead Retronaut will return as an indestructible **Securobot**. Build with only one purpose in mind, these robots can secure a space station with **400 rounds per minute**. Time to avenge the fallen Retronauts!

### 70s in Spaaaaccee

Ever wondered what would happen if you combine the **interior design of the 1970's** with space stations? Find out aboard the
